DEGREE	INSTITUTE	CGPA	YEAR
M.Tech.-Structural Eng.	Indian Institute of Technology Guwahati	6.91	2014-2016
B.tech- Civil Eng.	Jawaharlal Nehru Technological University, Kakinada	76.24%	May, 2014
Intermediate	Narayana Junior College, Rajahmundry	93.4%	April, 2010
Secondary	School Of Excellence, Parvathipuram	82.3%	April, 2008

PROJECTS

PERFORMANCE EVALUATION OF RCA (RECYLED COARSE AGGREGATE) IN SCC (SELF-COMPACTING CONCRETE) BEAM-COLUMN CONNECTIONS UNDER CYCLIC LOADING JULY'16

Dr. Sajal K Deb

- Reducing the using of natural resources by using recycled coarse aggregates in making of self-compacting concrete and its applications& studies in Beam-column connection under cyclic loading.

MAY'14

STUDIES ON REDUCING THE THICKNESS OF FLEXIBLE PAVEMENT USING GEOGRIDS

Dr. K. Purnanandam

- Studies on providing the Geogrids at the level of sub grade of the pavement section, reduces the thickness and the construction cost would be economical

ACHIEVEMENTS

- Received Bharat Ratna DR. B. R. Ambedkar merit cum mean scholarship.

TECHNICAL PROFICIENCY

- Statistical Tools: MATLAB
- Design software: AUTOCAD
- Structural analysis and Design software: STAAD Pro, SAP2000

EXPERIENCE

- Worked as an assistant professor in Lenora College of engineering, Rampachodavaram from June' 17 to till today.

EXTRA CURRICULARS

- Secured 1st position in volley ball competition conducted during college Annual sports day.
- Secured 2nd position in shuttle badminton competition conducted during college Annual Sports day.
